

# Current Kits Available for Check-Out

## Knotted Fleece Throws /Pillows

Make a Knotted fleece throw or pillow for our patients. (Patriotic pattern for veterans and adult patterns for adult patients). Instructions and materials are available in kits. We ask, that, when possible, efforts are made to donate replacement fleece. This will help us continue to make blankets and pillows throughout the year.

## Veteran Kit

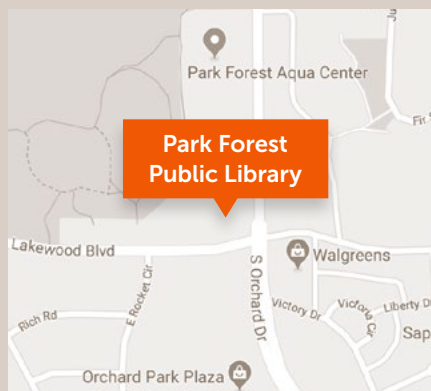

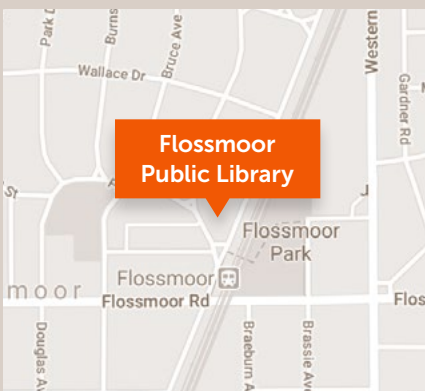

This Kit contains blankets to tie and cards to make. The blankets and cards will be given to our Veteran patients.

## CareCards

Create Sunshine cards for our patients. The cards are delivered by the team and often displayed on bulletin boards and walls.
